

## CALENDAR DATES

Issue 19 – 05 February 2010

26-28 February	ISMTEF Math Competition Senior High School	Sports Hall	Various
-------------------	---	-------------	---------

## Math Competition

As usual our school community have been wonderful in responding to our requests for help. Many have offered their homes and time for the Math Competition. We now have enough homes for all of the students.

Thank you, Thank you and Thank you.

## PTA Website

One of our aims this year is to have an official PTA website. We are looking for an expert in this field within our school community to help us set this up. If you can help we would love to hear from you. Please contact any PTA executive committee member.
