BUILD, DEVELOP, IMPROVE AND SUSTAIN A HIGH-QUALITY TEACHING TEAM

Do you want to develop your educational leadership skills? Are you a middle leader or aspiring to progress into a middle leadership role within an international school context? Take a step forward and develop your skills to be an effective middle leader in international schools. During these courses, we focus on:

- GROWTH IN OUR SECTOR AND THE NEED FOR QUALITY LEADERS
- YOUR BELIEFS AND VALUES ABOUT LEADERSHIP AND HOW THIS IMPACTS YOUR PRACTICES
- LEARN HOW TO RECRUIT, DEVELOP, IMPROVE AND SUSTAIN A HIGH-QUALITY TEACHING TEAM
- DEVELOPING AND IMPLEMENTING A CURRICULAR VISION
- IDENTIFY STRATEGIES TO HELP CLOSE GAPS IN ACHIEVEMENT
- WHAT DOES EFFECTIVE LEADERSHIP IN SCHOOLS LOOK LIKE?
- HOW CAN I BECOME A LEADER WHO FACILITATES ADULT AND STUDENT LEARNING?

The Middle Leader Certificate programme from ECIS supports the development of leadership and management skills needed by middle leaders in order to thrive and move schools forward. All courses share a common pedagogical model in which participants engage in active learning experiences, protocols and structures that foster thinking and equitable participation.

**COURSE ELEMENTS**

Courses can be taken individually, however, to receive ECIS Middle Leaders Certificate Accreditation, participants need to complete *The Culture of Leadership*, plus three other courses from this list within a two-year period. ECIS Members and Host schools receive discount rates. Each course reflects up to sixteen hours of professional learning face to face training, excluding our online finance course.
